

Dumps Around the World

Paidí agus Dónall

Caitheann daoine bruscar amach i ngach áit timpeall an domhain.

On the right is dumping in Indiana, beside a river.

On the left is a dump on the outskirts of Brazil.

Difríocht

Seo bruscair in India ar an gclé agus dumpa ó
Bhaile Átha Cliath, taobh dheis

Difference?

Palates , located in the suburbs of Manila, Philippines, is called Smoking Valley. the biggest garbage dump in the Philippines and one of the three biggest dumps in the world. And to the right is the biggest dump in northern Ireland.

Believe it or not these two pictures are in the sea just covered by litter that people threw in there

Cé a chaitheann bruscar?
